Jessany looks terrific. She is blonde, petite & got implants recently

The Story:

It was such an horrible experience I had today with Jessany. Think about this- she does not do kissing, she does not let you lick her boobs because she had implants surgery 6 months back, she does not let you do RO because her pussy is 'sensitive'; To be honest, she let me do bit of Rimming but only for couple of min. And Rimming had to stop because she got upset that my tounge touched her pussy! And she was shouting and loud. And to be fair to her, she did try giving me OWO for a few min to wake me up, but with plenty of upset/funny faces. I left in half hr. Maybe she had a bad mood today and maybe she did not feel like working, but its unfair to have a customer and treat him like that.
