The Premises:

Terraced house in residential area, plenty of parking, but quite a dark area.

The Lady:

As described, petite, pretty.....although we were masked and tiny body.

The Story:

Went for the 1 hr "erotic massage", which was anything but.....and frankly, I spent 50 minutes getting pummelled. As far from erotic as you could get; but would have worked if I needed to prepare for the next stage of the Tour de France. Then, on with the cover, lightning quick BJ and a quick ride to finish.

Aside from the massage, this punt- frankly - did not feel safe. WG never spoke above a whisper and I am convinced there was someone in the house.

Will not be returning.
