The Premises:

Really nice private apartment. Clean tidy and smoke free.

It not city center so no onlookers, felt really safe.

Plenty of parking

The Lady:

Adultwork has her as 41 but she could pass for ten years younger. Slim pretty and very fit.

Small pretty and very smart.

The Story:

This was a great punt. Slightly more than I would usually pay but hey it was Christmas!

Good communication even an apology because she had slept in a bit so was 10 mins late. She was immaculately presented when we met.

Offered a drink beforehand then straight in to it. She offered a massage which I took for about 5 mins until could not wait to get my hands on her gorgeous body. With hindsight I should have waited as it was all over a few minutes later!! My fault she is just so gorgeous.

OWO was expert, almost like she had done it before LOL! Then on with a mac and doggie position for anal. She was brilliant and even did a little role play I wanted. Very smart lady and quick on the uptake.

I was done in about 20 mins total so paid (yes paid after the event!) and left very happy. I have been back since for a delicious 69 looking at her perfectly shaped backside.
