The Premises:

Small bedsit in Bayswater. Nice, cosy, clean with shower facilities.
She said she might be moving around the corner to a new flat soon.

The Lady:

Melinda is a gorgeous, young, slim Thai girl with a fantastic body, her photos don't do her justice.
She has pretty good English considering she has not been here that long.
She was very talkative, polite, enthusiastic and eager to please.
Olina agency were able to arrange the meeting at very short notice.

The Story:

Melinda opened the door and was all over me like a long lost girlfriend before anything was even said!
DFK and hands everywhere.
I quickly got the payment out of the way and went for a shower to clean up before getting down to business.
Back into the room and she was all over me again.
Onto the bed for some more intense exploring of each others bodies.
Lots of kissing, deep rimming both ways, 69 and then onto the proper action which was fantastic!!
This was one of the best escort experiences I have ever had and she did everything on her likes list that was asked for with enthusiasm.
I'm definitely going to return asap for a second round.
Probably this weekend!!!
