The Story:

I've had the pleasure of seeing Amirra several times during her time at an agency in Milton Keynes and London. This was the first time of seeing her independently. Arranged a few days in advance the comms were excellent via phone call and WhatsApp. On arrival I was shown upstairs to Amirra's bedroom and after the paperwork was sorted she left briefly to fetch me a glass of water. A few minutes catching up and chatting having not seen each other for a while before we were both soon naked and on the bed. An excellent blow job with plenty of depth and variety followed before moving to 69. The oral was so good I could feel myself getting close so we moved to me giving oral on Amirra. The most gorgeous shaved pussy and no objection to a gently finger and after a few minutes a mixture of tongue and finger soon made her cum. We moved to sex after a brief rest and we enjoyed cowgirl, doggy and missionary before a return to Amirra on top. The amazing sight of her body and tits going up and down soon had the desired effect and I couldn't hold on any longer. A quick clean up and we spent the remaining time cuddling, kissing and chatting before I left feeling very happy and satisfied at seeing this very special young lady once more. Beautiful, intelligent and with a great personality I will definitely return as soon as the opportunity arises. An all time favourite.
