The Lady:

Mary is advertised as being in her 30s, But she I'd say that she's in her 40s. she wears a lot of make up, so it's difficult to judge her age. Her photos on her profile are accurate. She has a great body, I have a bit of a leg fetish, and she has a cracking pair especially when she is wearing high heels.

The Story:

I think recently Mary has new rules regarding text messages as she doesn't seem to respond to them. I wouldn't say I'm a regular customer as I've only seen her a couple of times, but it can be frustrating getting hold of Mary. I guess She's had people mess her around, So I called her the day before I wanted to see her, and she told me she doesn't take bookings until the day of the meet, again a little frustrating, Why not take a booking a day before? I call her in the morning around 8:30am and now she is fully booked until 5 pm!! I wanted a morning appointment and got the feeling that she didn't really want to see me as i'm a newish customer.

I Told her I need a morning appointment, and then she says she will promise me tomorrow morning, which was confusing because yesterday she refused to take a booking for the next day. So when you become a regular with Mary I guess you can make appointments before the day that you actually want to see her.

Anyway with arrangements all done For the morning, I arrive early and sit in the car park and wait for the time, I text Mary to tell her I have arrived and she gives me her detailed address. When she opened the door she was wearing white lingerie which made her look so sexy I could instantly feel my heart racing and my cock rising. She has A great pair of legs and nice bolt-on boobs. She measured and checked my temperature what with the virus going around, Temperature all okay and she asked me if I want to take a shower.

All paperwork out of the way, and a little Smalltalk. I found talking too Mary little a difficult as she seems a little cold at first, I have to do all the icebreaking. Paid for two hours and OWO, Previously When I saw her I paid for DFK, But felt this was a waste as kissing naturally occurs.

Mary is a great kisser, we begin by kissing and cuddling and I'm getting a feel of her arse, She then goes down on her knees and takes off my boxers, and gives me a nice BJ, I Wouldn't say it's the best as it's a little slow for my liking, but she still has a good technique. After around five minutes of this she asked me what I wanted to do. I opted for body to body massage As there were two hours. She stripped off and covered my back in oil and began to move her body up and down back with her boobs doing the work, I could also feel her hot/warm pussy on my arse as it rubbed against it. After about 10 minutes on my back she asked me to turn over and again covered my chest in oil and began to massage me with her boobs. She asked me to hold her boobs while she gave me a boob job, it looked great to see her tits going up and down my cock, and her moaning and giving me a contact. Didn't take me long before I exploded between her tits. She Commented on how much cum there was I had Been saving it for awhile for her!

After this she asked me if I wanted a massage, Which I agreed too. she has excellent technique I felt so good after she'd finished. I think she must've had some kind of training It's the best massage I've had for a long time. An hour later she starts kissing me lying on the bed with her leg rubbing up and down my cock, Then she goes into the 69 position and her arse in my face was a great site I could stay there all day. I told her I wanted to fuck, Pops on the condom and begins to ride me, her moans are also a turn on, I had to stop her as I was going to shoot my load too quickly, so I get her into missionary position, and give her a slow fuck while kissing her. I managed to hold on and get her into doggie position as I wanted to see that arse when I shoot my load. After we finished this I still had 30 minutes so we kind of awkwardly laid on the bed, with not a lot to say as I found it a little difficult to make conversation with her. Before I left she offered me a hand job, and I thought there's no way I'm coming three times but thought what the hell let's try. So she got the oil and started wanking My cock as fast as she could and I managed to do it. I could feel my legs shaking.

Overall Mary is a good punt, She has a great arse and tits, If you want good sex and not worried too much about conversation This is your girl. I Would probably see her again, there are better looking thai girls around But Mary's service is very good. The only downside is getting the time you need, she Clearly gives others priority. I'm guessing she gets a lot of Hoax calls, but I'm sure if you become a regular customer maybe the booking will be easier And more Fair And she will be more of a conversationist.

I saw her during lockdown So obviously I'm not being a responsible human-being, so this is one risk you take with Mary, she doesn't seem to be bothered having customers during lockdown.
