The Story:

I booked easy the same day, and I received a text straight away with confirmation and the full address, which is nice to plan your route.

Patty opened the door on time, I gave her a kiss on the cheek, and I noticed she is very polite but at the same time very shy, she looked down most of the time with those big fake eyelashes.

Money sorted, and I started to remove my clothes, she already removed everything just a bra and the underwear, and waited for me, she is Romanian and new here, she doesn't speak a word of English, but she made an effort with the translator....she also leaves music all the time to play on TV, we started kissing standing, and more on the neck with occasional french.

Then she suggested me to take a shower, but I declined since I just had one at home, so she pointed to the bed, and she started with a slow owo and with saliva, but she asked me before not to come in to her mouth, I was not planning that anyway, my plan is to last longer for the one shot that I can do in this timeframe....she let me touch everywhere, and she has responsive tits, I asked her after 10 min to come on top for 69, she did for 5 min that, she is very clean and completely shaved, then she gave me some more oral before she applied the condom, and at that point I stood on the floor and positioned her for doggy on the edge of the bed. She seems to enjoy but she doesn't make noises, after I took her on the sofa opposite and I lifted her legs to take her from the front, there she seems to like it more and made light noises, also we kissed, after a while I tried not to come, so I came out of her pussy and bent down to test it again, so I tasted it for a few min, then I entered again for some action holding the legs, I suggested some sideways fuck, with her agreement and positioning herself, but it lasted only a few min since she was afraid that she might fall from the edge, so I put her doggy with her face to the sofa and I came like that inside her loads, she helped me clean and that was all together half hour...we spent the rest chatting on the edge of the bed with the translator and closing music....Now my conclusion

is that the girl she is nice, but you have to guide her what to do, don't expect pse, or someone to eat you, this is good to take your memory back, a bit of vanilla romance with a very young girl, like in the early Years on your first dating, with a very polite, shy and slim girl.
