The Premises:

A 1960s terrace house close to Slade Green railway station. It was clean inside, but the upstairs room was really dimly lit.

The Lady:

A 40 something Chinese lady. She was friendly, but her English was very limited.

The Story:

This was a standard Chinese punt in the suburbs. You know before setting off the person you will see will be random. You can almost guarantee you will be let in the premise by a Chinese man. The lady I saw was OK, about a dress size 12, with C cup breasts. We basically had sex in two positions, doggy and missionary. I was feeling a bit tired so I struggled a bit. I asked for a hand finish and that did the trick.
