### The Premises:

Nondescript apartment a short walk from tube station. Clean and pleasant enough albeit in a unremarkable sort of way. I've seen better and worse, but it was clean and comfortable.

### The Lady:

In her photos she has a super sexy uber glamourpuss look to her. Alas in real life she has a more 'grounded', 'homely' and 'down to earth' air about her. Also, I think her stated age of 25 is 'a stretch' even in terms of 'escort age' (although in the photos she does look that age). She is the girl in the photos just with a few years and a little extra weight accumulation.

Also, not shown in the photos is a large tattoo on her lower back (a bird I think). Not an issue for me personally.

I asked if she could wear the ultra high red stilettos she has on in one of her pics (with nothing else!). Although she still has these high heels she said she can no longer wear them. Bummer for me but I didn't want her to be uncomfortable.

### The Story:

Karina is a pleasant lady. We had a nice chat before moving on to routine fucking on the bed. It was all ok and she is quite obliging and easy going.

I guess I was a little deflated as I did want the heady 'uber glamourpuss in fuck me heels' experience but she was a warm accommodating lady and has a good attitude. Win some you lose some...
