The Lady:

Really pretty polish brunette (dyed black hair) with soft silky cream skin, beautiful green eyes, full lips. Perky breasts and a lovely peach of an arse. My manhood stood to attention at the sight of her as soon as she answered the door in a negligee and stockings and heels. If this girl was with an agency she would be charging double so she's great vfm. You can't go wrong with polish girls IMO.

The Story:

Asked if I wanted a shower but I'd had one beforehand so just washed my hands in her clean bathroom stocked with clean towels. Her bedroom was clean and tidy.

I couldn't wait to get my hands on her. We spent ages kissing with tongues. I couldn't help nibbling on her juicy lips which she didn't mind. I think I was very hungry. I groped her lovely body and her skin was so soft and smooth. I was eager to try her touted blowjob skills. Her profile read "Queen of OWO & DEEP THROAT x CIM & Swallow" and I was eager to test her claims. Well I can vouch for each and every one. She provided one of the best blowjob I've ever experienced. No protection required. Wet, sloppy, deep. I was so hard watching her work my cock, looking at me with her beautiful green eyes. I came close to cumming several times and had to stop her as I wanted to prolong my pleasure. It would have been worth the fee just to have me suck me for the hour. I made her suck my cock for about half an hour and I was in ecstasy. Eventually I erupted in her beautiful mouth with a huge load that may have surprised her with the quantity but she took the whole load well, not removing her mouth until I had completely emptied into it. She swallowed it all before licking my cock clean.

I was totally satisfied and we kissed for a while and chatted. She wanted me to fuck her pussy so she then instigated round 2 with more unprotected oral and got me hard again. She put a condom on and climbed on top of me for cowgirl. I then got her off and bent her over to take her doggy and enjoy her peachy arse. After some rough hard doggy I unloaded into her and we both collapsed to catch our breath. Eventually after more kissing I dressed and left with a smile on my face and a spring in my step, my balls completely and utterly drained by Natasha. I wasn't sure I should keep her my secret but during these hard times this girl deserves the custom and she's great at what she does. I think I've fallen in love.
