The Premises:

Small one flat about 5 mins walk from Bayswater tube station. The flat was clean and had very nice mood lighting. The bathroom was small a had a shower cubicle (no bath). I was given prior warning about the shower tap being sensitive i.e., when it comes to getting the temperature of the water to how you like it.

The Lady:

Patsy definitely looks like the lady in the photos. She is a pretty, slender, Thai lady with slim legs and is taller than your average Thai girl (although not that tall. I think she must be around 5 foot 5 inches.

The Story:

Patsy is a lovely, bubbly lady with a great sense of humour. She provides an excellent GFE service. Round one was a mixture of great oral, with plenty of gentle ball licking which I enjoyed, DFK, reverse oral (she a nice, clean, shaved pussy that is a pleasure to lick) sex in various positions. She insisted we did doggy position in front of her mirror so she could watch and finished with CIM. Patsy then gave me a massage, which was ok. Not too hard, not too soft.

Then on to round two, were Patsy announced she wanted to lick my ass so asked me to get into a doggy position and she then proceed lick my ass and balls and play with my cock. After several minutes of this, I then offered to eat her pussy again, which she was happy for me to do. I did this until she came and then she wanted to make me cum a again, which she did and a popped a second time in her mouth.

Afterwards we had a nice chat and I had a second shower. There was no clock watching or a rush to get me out of the door.

Patsy is highly recommended and I will definitely see her again for a longer booking.
