The Story:

I have seen Kate a number of times over the past couple of years, she can be a bit unreliable at times and has cancelled a couple of times or has kept me waiting.

Still she can be worth it. The last time I met her we chatted for while as it had been about 4 months since I was last there then up to the bedroom and she was as dirty as ever giving me a good sucking with a finger up my arse which she enjoys doing, moving in 69 were she squirted over my face then started to snog sharing her juices. Moved into cowgirl after a while she put my cock in her arse for another good fuck going straight back in her mouth to take my load. Lay chatting for a while still playing with her tits. Then it was time to go.

If you want a really horny dirty gillf then give her a try.
