The Premises:

Maya has a smart flat in West London just a few minutes from the station. Not a Palace but safe and fit for purpose

The Lady:

Maya is a petite and trim Persian babe. Looks exactly as the photos with lovely bum and perky breasts. Very much a girl next door facially but a big smile and sexy slim body

The Story:

From the moment the door opened Maya was relaxed and put me at ease. Maya is really an outstanding play date. She's the perfect combination of brains, looks and body with a hungry, lusty personality. Beyond the fun sexuality, she's really quite a lovely person with whom it was a delight to spend time - she's a great conversationalist who's very open and genuine, easy to talk to, interesting and interested.

Between the sheets she is completely uninhibited, and seems to have a slight bent to the kinkier side of the spectrum. I'm more of a GFE man so we were not completely aligned, but whirlwind Maya was a fun ride all the same. Maya is an open minded babe with a wicked tongue

Would definitely recommend Maya. Read her profile carefully as she does offer a very wide range of things and provides a more kinky oriented service. In the right mood I would absolutely return.
