The Premises:

Glamorous apartment, high-class modern shower facilities, superbly clean and tidy apartment throughout, with good lighting. Shoart walk from Royal oak station in Paddington. I just took a cab since I saw her nearly midnight.

The Lady:

What a stunner! Perfect petite frame, all parts of her body are perfectly proportioned from her D enhanced cup to the size of her hands and feet, what a worship-worthy ass, just extremely erotic physique to look at and worship, I couldn't wait till I get her permission to touch that marvelous ass - not an ounce of fat, just so Young and fit gorgeous lady.

The Story:

Last-minute booking with Babylon only requested a ponytail and a nightwear dress and I am very glad I trusted my instinct with this choice.

I had few glasses of wine beforehand so I was already in for a gentle sensual night experience and she is wonderful for that.

I knocked, she opened peeking through the door and I was already smiling :)

Paperwork sorted out, a quick shower, and once my towel is off I started to admire her perfect waist down to her legs and I immediately felt like holding a precious glass in my hand that I do not want to break! I knew I had to be gentle and sensual with her. Long Pleasurable oral without in multiple positions that she seemed to have the stamina for while I worshiped her ass and body throughout. Seriously, I wish my life could be on repeat from the moment I knocked. Soft voice, Barbie doll. I was mesmerized and thoroughly enjoying the experience while eyeing that Perfect face, such a nice texture. Her photographer did a really bad job in selling her physique IMO. Firstly she looks pale in the photos because the light is too bright, but she is not pale at all. Dark-toned body with very soft skin which isn't captured in her photoshoot. I mentioned that to her and already agreed with me. I made many compliments to her physique and she thought I was full of it lol, but it is the truth. CG with her hands on my waist while looking me straight in the eye was just wow, what a gorgeous woman, then licked her entire body all over beginning from her wonderful toes all the way nibbling her neck, seemed to enjoy the admiration I had for her. She is soo ticklish I made her shiver almost like an Orgasm, enjoyed that. In for Mesh with multiple techniques, I could feel myself contracting

as I thrust buckled my small hands with her beautiful hands looking me in the eyes with her mouth open moaning .. Just wow, I will never forget that gorgeous face, came in the bag as I thrust intermittently just as I was cumming came I went for a spontaneous long deep kiss on the mouth, which she matched in passion, just perfect timing just as I was pulsating inside of her and she loved it!

Cleaned me up and spontaneously rested her head on my chest cuddling and having a bit of chat. Then I cuddled myself on her arms just resting for few minutes before the final shower and a deep hug for goodbye. What a time to be alive!

She is Romanian and does put some of the comments I made about Romanian providers in the past to shame if am being honest. I loved her.
