The Premises:

Small one bedroom flat at 3 mins walk from Bayswater tube station. The place was clean and had a small bathroom which contained a sink and a shower cubicle. The shower had decent water pressure and plenty of hot water.

The Lady:

Andrea is definitely the lady in photos on the website. Andrea is a nice looking Thai lady. She is a bit more 'Rubenesque' than your typical Thai lady with nice large, soft, natural breasts and a great smile.

The Story:

Andrea greeted me with a nice kiss and after we exchanged the paper work I was offered a drink and asked if I wanted a shower, which I agreed to. After I had a shower, Andrea helped me dry off and then asked what I liked to do, which I replied everything listed on her profile which she was happy to do with enthusiasm. So we started with with lots of DFK, then oral, which Andrea is great at (especially deep throat), rimming and then I returned the favour and licked her pussy until she came. Then Andrea said she wanted sex in doggy position so she could watch in the mirror, after several minutes of doggy, we switched to anal. Then I finally finished by cumming in her mouth, which Andrea then discreetly spat my cum into a paper towel. Andrea then gave me a nice firm massage and during this we had a nice chat. Andrea's English is ok and I found her to be a nice, uplifting, cheery lady to be around.

I had a great couple of hours with Andrea and will definitely see her again soon.
