The Premises:

Large basement flat about 7 mins walk from Bayswater tube station. The flat was clean and in a very good condition. The bathroom was also clean, and the bath had a good shower with plenty of hot water.

The Lady:

Mimi, is a petite Thai lady, with a nice body, enhanced breasts and pretty face. I actually think Mimi looks better in person than she does in the photos on the website. I would say Mimi is in her mid to late 20s.

The Story:

Mimi greeted me wearing a nice sailor type outfit, with a cropped blue and white top that tied in the front and a short, blue pleated mini skirt. She looked very cute. After we sorted out the paper work, Mimi offered me a drink and a shower. After I had a shower, Mimi engaged in some nice, sensual fondling and kissing in front of her wardrobe mirror and then we went over to her bed. Mimi then removed her outfit and I we engaged in a more sensual GFE session, rather than a PSE session. With Mimi covering my cock in baby oil and doing lots of sensual massaging of my cock and balls, then rubbing her bare pussy on my cock, followed by oral with gentle ball licking, rimming and sex in various positions.

All-in-all I had an enjoyable time with Mimi and look forward to seeing her again soon.
