Nothing in particular, same as anything else, really.

Not half bad, looked young around 20.

The Story:

Seemed a bit disinterested, but just chalked that up to me being nervous and unable to relax properly.

Im under average for size and not cut and she seemed to be abit inexperienced and weirded out by the entire thing, and asked some weird questions that gave me the impression that she lacked some experience.

She seemed to be nice about the situation, would recommend her for someone experienced but not for a first timer as her english is quite broken and hard to understand.
