The Premises:

A discreet private apartment in a newer part of West Milton Keynes. Close to shops and a cashpoint. Safe, secure and comfortable.

The Lady:

Rue is a white lady with dark red hair giving her a very Celtic look. Standing 5'6" tall Rue is a very busty and curvy lady. Size 14/16 and looks incredible! Mesmerising bust, homegrown, and a fabulous cleavage. Very pretty, and a knowing glint in her eye! Rue is the very much the lady in her photos, and if anything looks even better in the flesh. I was very taken with her.

The Story:

Rue Burbon is no newbie, quite the opposite in fact. Previously known as Tammy, Autumn and Autumn Temptation, she is a punting landmark in Milton Keynes. Yet, for reasons I can't explain, I'd never seen her before.

Communications were prompt, efficient and clear. No hassle arranging a meet, and Rue is very professional. One inside, and a swift exchange of punting tokens, and we were in the bedroom together. Rue slowly undressed, revealing her fabulous figure. Kissing, the proper sort not some crappy pecks here and there, swiftly lead to the bed, where Rue began her masterclass in why she is such a punting legend. Her charms were delightful, her services full, excellent, and most importantly delivered in a fun, charming and caring way. Nothing appears to be too much trouble, and she was a delightful lady, as well as being excellent in the sexual arts.

While the sex was superb, Rue really ticked my boxes, there is so much more to Rue that made the experience so memorable. She is an incredibly switched on lady, and we chatted alongside the play, and after. Actually, our time overran we talked so much afterwards! No rush, no bullshit, Rue didn't so much meet my expectations as knock them out of the park! I'd have to say she is one of the most memorable ladies I've seen, and while it may have taken me a long time to see her, I won't be long coming back!

A fabulous time with an excellent lady!
