The Premises:

Clean, pleasant flat 2 mins from Liverpool Street Station. 5th floor but lift access. Sarah has made a lovely intimate place here; sets the tone well.

The Lady:

Sarah is a very, very attractive lady, reminiscent of actress Kim Cattrall. Her photos are representative and her face is very pretty. Her figure is hourglass and very lovely. I would suggest that she's nearer 5ft 4. I think that the age of 43 on the website is net of VAT but that doesn't matter one bit. She may be a dress size 14 as opposed to a 12 too but again, that is of no real importance. The sort of man who would look at Sarah's site and want to spend time with her would appreciate her as a package: she opened the door and she looked utterly lovely. That cleavage! Those eyes.....

The Story:

I am in my 60s and wanted a gentle, romantic role-play experience with a really classy lady. Sarah provided in spades. Her low-cut black dress, soft, silky blonde hair, immaculate nails, impeccable speech, manners and deportment are those of a lady that ANYONE would be proud to be with and the experience was genuinely gentle, soft, kind and loving. She allowed me time to unwind and was very receptive to me, my circumstances and requirements. Sarah's hands are very wonderful things! She listens, she feels, she empathises, she proacts, she reacts and all with a smile that is as heavenly as her touch.

I recommend her wholeheartedly and will return.
