The Premises:

2nd floor flat with no lift. Paid parking within 100yds. Busy area, didn't feel very safe; bit chavvy. Flat wasn't very clean, no refreshments or shower offered, although stated in her advert.

The Lady:

Maltese origin, not always easy to understand her. Don't think the girl I met was "Janine" from the photo's; she was a chunky size 12 (although not unattractive), carrying quite a tummy with large breasts. Probably mid 20's, maybe 5'4", smelt slightly sweaty.

The Story:

I arrived on time, but had to wait 15 mins outside. On entering the flat I was aware the girl was not the 1 in the pictures; although I decided to stay as she was still reasonably attractive. After counting the fee I gave her she was straight down to business. No kissing & very little touching allowed, no foreplay just on with a condom. Sex from behind, whilst she encouraged me to finish with all sorts of farfetched verbal encouragement. She stopped sex after a few minutes, stating that she'd cum & her pussy was hurting; I should finish on her tits, she said. After I finished on her tits she said it was time to leave; when I questioned this as I had paid for 1 hour & only got 25 mins she laughed as she got dressed & said "this is how it is, you've had sex now it's time to leave." I left feeling cheated, the services I received didn't match my expectations from what I read in her advert. I wouldn't see her again or recommend her
