The Premises:

Upstairs flat. Same as it ever was. Just a shame it's been six months since I was last there! Greeted by the lovely Ophelia at the door and had a shower before meeting Darcy. Unfortunately Darcy's booking overran and I was left in the bathroom for about 10 minutes! This was not Darcy's fault of course and I didn't mind waiting especially for what Darcy was about to do to me.

The Lady:

Darcy is absolutely gorgeous. For those of a certain age who can remember Page 3 girl Kim Bingham, she looks just like her. A very cute nose and lovely frizzy dark hair. Beautiful natural breasts and a shaved pussy. She is in her early to mid-twenties and has a very nice Scottish accent.

The Story:

When I met Darcy and handed over the money she said not to worry and that I would still get half an hour with her. That was very good to hear. We got on the bed and had some kissing before she started licking my nipples at my request. It wasn't long before she made her way down to my cock. I asked if she would plant little kisses on my cock and she did so for about a minute or so, even kissing my balls. This was very sensual and then she put my cock in her mouth. Her OWO is fantastic and she pinched my nipples at my request while doing so. I then requested a 69 and before long she had her pussy in my face and was sucking on my cock. This was gorgeous and at one point she stopped sucking me and put her pussy right in my face for some lovely face sitting. After that it was on with the condom and we had some nice slow sex in the missionary position for a few minutes before I asked if she would go on top. A few minutes of her bouncing on my cock was pure bliss before I went on top again. Sensing time was running out, I asked her to suck my cock again in a bid to cum and she took the condom off and obliged and sat on my face again too. But alas time ran out and I didn't cum. Next time I see Darcy, and there will be a next time, I will give her my cum, hopefully in her mouth, a service that she does offer.

To summarize, Darcy is a gorgeous girl with a great personality and provides an amazing service. I really look forward to seeing her again this year somewhen. Great to see House of Divine open again!
