### The Premises:

A first floor flat with intercome entry near Petticaot Lane market. The room was very small, but functional.

### The Lady:

The profile pictures are a bit flattering because she is a few years older. She was, however, very friendly and she had a good figure. Her breasts were natural with prominent nipples.

### The Story:

I actually phoned the number for Adriana, but I wasn't too disappointed to see Laurette. Her breasts looked very enticing and she was slim. The session consisted of uncovered oral and sex in doggy position. There was a bit of a problem language wise, but we overcame that. I wasn't rushed throughout the punt as well.
