The Premises:

Pia meets in a modern 2nd floor flat which she shares with Daniella (tiny tease). It is clean and tidy, her bedroom has a nice comfortable bed and ensuite shower room.

The Lady:

Pia is a pretty looking mature lady in her 50's with an ample body (not over weight) soft pert tits with nice nipples and a lovely shaped arse and a very wet shaved pussy completes the look.

The Story:

The Meet Door opened in the usual way hiding behind it but was nicely surprised when I got in Pia is very pretty, Although a few pounds heavier and older than her pictures but still looking good. After a welcome kiss We went into the lounge and was offered a drink we sat a while talking getting to know what each other liked, then into the bedroom were the action started with her undressing me with some DFK then she pushed me on the bed and took off her dress to reveal stocking suspenders and black bra which she removed before going down to give a wet BJ she then joined me on the bed were I returned the favour licking her now wet juicy pussy and sucking on her clit, she said she had cum after about 5 mins so we rested for a couple of minutes, she was tugging my cock all the time.

It was then time to put on the jacket and she rode me like a true Cowgirl both slow and gentle and fast and hard I had to hold on so as not to shoot my load to early. After a while she got off to finished me off by hand over her tits, quick Clean up and then we lay cuddling and chatting, No clock watching as I was at least 10 mins over.

I will certainly Go back again, may even become one of my regulars.
