The Premises:

A flat off the Stevenage Old Town main road. Relatively modern (1990s perhaps) but small and clean.

The bedroom is clean and well-decorated.

The Lady:

Nita is a Thai pre-op trans woman. She's tall, but has a nice body, skin and face. she is passable - you wouldn't know she was trans if you saw her in the street.

The Story:

I paid for half an hour, and she offers oral (both ways) and anal (both ways - top/bottom).

She sucked my cock, and then I asked her to fuck me. She's moderately endowed - not hung nor small - but was an enthusiastic fuck all the same.

Her service was OK, but then I thought it was a bit too formulaic. She looked nice and was reasonably pleasant, but then maybe it was just my own expectations.
