The Premises:

Quiet area of Paddington/Lancaster Gate, 2nd floor flat, nice and cosy, nice and tidy.

The Lady:

Elleanor is fabulous. Beautiful and only 19 years old. She looks just like her pictures (obviously they're a little shopped), and her hair looked shorter in person. She is literally tiny and without her heels, only came up to my chest. Very fit looking. Doesn't speak a lot of English, but she's friendly and eager.

The Story:

She was wearing what I had requested, and she also had her heels on. The tiny little skirt barely covered her really small, firm arse. This girl is pure teenager, sexy as hell, and not a wobbly bit in sight!

Didn't take long to get to it. Straight to business, I was already running a little late. She stood in front of me and stripped down to her panties. She has great little tits! She had on a beautiful black g-string and with her ass and cute pussy, it couldn't have looked any better. Fantastic. She dropped to her knees and started some OWO, which was very good. Not much eye contact etc. but the feeling was wonderful, and quite deep considering I'm a bit of a long boy!

Sex was enjoyed in missionary, doggy and with her laid on her front with legs together. She's really tight and responsive too, she seemed to enjoy it a lot. Finished with some more OWO and CIM. Not a drop spilt!
