The Story:

Elle started off with light convo, and made her way across the bed to me. (I was still standing) she initiated with light kisses, to which i reacted instantly and was hard straight away. I laid back on the bed and she took me in her mouth. She gave me the type of blowjob i only wish my misses would do. She then rubbered me up and climbed on top of me and started bouncing away. Oh she is so tight. Right when i thought i was going to blow, i got behind her and thoroughly enjoyed grabbing hold of her arsecheeks and pounding into her as i finished. Im telling you she is so tight the condom was half staying in. Almost as if it didnt wanna let go of my member. Id highly recommend. And will defo go see her again
