The Premises:

Clean and tidy flat in the pimlico area of London. Down some stairs to the basement.

The Lady:

Brunette whose age I'd put as about 21.

Fresh faced bubbly character. Fit and very proportionate figure. Womanly curves-and not a stick insect.

The Story:

Despite many encounters with many SP's this one certainly got etched in my memory. Was let in by the gorgeous looking maid (Sim) who showed me to the room.

Sloane followed shortly after.

Sloane is a gorgeous looking brunette with a nice personality to match. She was willing and attentive throughout the booking.

I got her to get on top and she moved her hips so well that I didn't last as long as I would have liked to, or usually do.

Had a lovely chat afterwards and found her to be intelligent too.

Time flew by. Got dressed and thought it's girls like her that retain my faith in this hobby.

Will see her again soon if our schedules match.
