### The Premises:

The usual HOD 1 basement flat. Discreet and a 10 minute walk from Victoria station. A very friendly maid let me in and ushered me to the room as I was 10 minutes early. Elle and I were going to have a shower together (as we like to do), but the hot water tap was not working. Luckily we had both showered before we met. The room was cold initially, but soon warmed up with the electric fire going. I like to be the first punt of the day, but there are sometimes disadvantages.

### The Lady:

I have seen Elle quite a few times before, so I knew what to expect. She is very pretty, dark-haired, slim, well toned, about 5' 4", size 6, 25 ish, B cup with quite small pert nipples adorned with piercings, and a great pair of legs. If you like her photos, you will not be disappointed when you meet her. She is very intelligent with a good Degree in English, so you can have an interesting conversation, before, during, or after the main course!

### The Story:

I am not in my first flush of youth (sad to say), so the old boy sometimes decides he doesn't want to play, but on each occasion I have met Elle she has given him a good stiff talking to and he stands dutifully to attention. I think, over the months, we have tried all the positions and services Elle has to offer. She is a great kisser (no tongues, but no matter) and has a superlative BJ technique. This time we ended with A which was exquisite and well worth the extra dosh. Afterwards we gave each other a relaxing massage and had some interesting chats about life in general and our mutual interest in poetry. The 60 minutes went all too quickly, but a great punt and highly recommended. See you again soon Elle. XXX
