### The Premises:

Well described and oft reported on: just off Constitution Hill, in an active commercial area, but wonderful boss Shannon has always paid great attention to security. Inside, the rooms, two downstairs and two upstairs (including the double-bedded "big one"), are clean and comfortable.

### The Lady:

I have had the pleasure of Anna a few times. She is Hungarian, but with brilliant English, and has large firm boobs. I'd not met Kylie previously, but knew of her from other reviews. Apparently, she worked at Lush until last week. She is English, and more petite than Anna, with smaller boobs, but lovely responsive nipples. I would guess that they're both in their early thirties.

### The Story:

I asked for them to stand side by side, facing me, and to take off their bras, to expose their tits to me. Anna was keen to start me off with excellent OWO, so she dropped to her knees, while I had a lovely getting-to-know-you snog with Kylie (who has, it should be said, a very active tongue).

Next, after they'd done what they were told and had lain down on the bed, side by side, with their legs open, I explored their juicy bits. At this stage, Kylie was slightly the juicier of the two, so I asked Anna to get a rubber, then proceeded to have my first-ever fuck with Kylie, who responded very well indeed.

After a while, I lay on the bed, and had Anna and Kylie alternating between sucking my cock and DFK-snogging me. At about the fifth change-over, Anna was working "downstairs" so well that I had an intense orgasm.

Finally, a lovely gentle massage and a bit of chat about this and that, and I was on my way. However, this was not before my good friend Michelle, the third woman in the day's line-up, had popped in, naked, to say hello and to give me a kiss. A feel of three pairs of tits inside half an hour: what could be better? I'm looking forward to the next time.
