The Premises:

One of the many flats in MK hub area. Flat itself was nice. Can park for free in Sainsburys.

The Lady:

Charli is a nice looking girl advertises as a ginger but 100% dyed, she did seem bubbly at times. Figures not quite what it looks like in the pictures but weve just been through a lockdown.

The Story:

The experience wasn't good nor bad, just a bit of a let down, I picked Charli as she firstly is touring so a fresh girl to see but also at £120 for 30 mins is in the high end price range for MK. I asked for tie and tease. A few texts were exchanged before hand. I have seen a few of the higher end girls in MK and the experience has always been good. I wouldn't say this was up there.

When I arrived I was asked to shower which is fine, I had actually showered before leaving home anyway and was asked to make sure I was completely dry.

Asked me to get on the bed then seemed a little angry because she found some water on one of my legs that I had missed. She tied me up in some handcuffs and neck cuffs and the tie and tease was basically a blow job for about 5 minutes and then she got on top. She said she was going to make me beg for doggy but let me out of the cuffs eventually for doggy, during doggy her phone went off several times and she started texting. I decided to blow my load at this point which was about 20 mins into it. During the on top part she couldn't get her bra off so asked if it was ok for the other girl she works with to come in and take it off. I was fine with this, the other girl is a girl who I've been meaning to see for a while so was nice to put a face to the name.

I'm not going to leave a negative review as at the end of the day she has got some good feedback and she is nice looking, just the chemistry between us didn't really work that well!
