The Story:

Possibly the worst time ever! Naomi came into the room and asked do you want a rub down or shall we get straight to it. She peeled off her outfit and got a condom out, some mechanical high speed oral followed then I asked her if she wanted oral to which she squatted over me with her hand in the way. I then got on top to her faking lots of sounds. Some more oral and then I finished myself off just to get away. 10 minutes door to door for £60! The websites says - Naomi is extremely gifted in the room and is guaranteed to give you the experience of a life time! She's suited to most tastes as she offers a service like no other. well I guess she offered a service like no other. Please avoid wasting you money
