The Premises:

The venue was an apartment in the central shopping hub of Milton Keynes, very easy to find and discreet to enter. Inside it was neat and tidy.

The Lady:

Carla is English, late 30s, 5' 6", size 14, 34DD natural breasts, long brown hair, a full rubenesque figure that is in no way unappealing, completely shaved, no tattoos, with a friendly face and a ready smile. She is very outgoing and keen to make suggestions.

On the AnnabellasEscorts.com website there are photos of Carla that showcase her splendid breasts, of which more later.

Carla wore an elaborate black one-piece playsuit with suspenders that were not fastened and black holdup stockings.

The Story:

This was a two-hour FFM session with Carla and Gia. They contrasted pleasingly in appearance, their personalities complemented each other well and they readily kissed and touched each other as intimately as they did me. In the remainder of my review, I will concentrate on Carla's role in the session.

We used a doctor and nurse role play. To begin, my nurses undressed me down to my pants, remaining clothed themselves, and gave me a relaxing four hands back rub. Turning me over, Clara took the lead in giving me oral, slipping off the top of her costume. Her breasts really are magnificent: large, round, soft skin but firm underneath and 100% natural. I normally like tall, slim women but I could not fondle Clara's breasts enough. She then cupped each breast in turn and gave it to me to suckle on.

Her outfit then came off fully to show her bum and private parts. Like her breasts, Clara's bum is not small. It is firm and meaty and lovely to knead. I put her over my knee and gave the odd slap to her bum, whereby it quivered and rippled and Clara squeaked engagingly, before I slipped my hand between her legs, which she obligingly spread to facilitate my exploration.

It was then her turn to spank me. Clara put me on my tummy and spanked me with her hand and her hairbrush. Then, lying on my back with my legs up, Clara gave me an exquisite prostate examination, first with one finger, then with two, then wanking my shaft and playing with my balls.

To finish, Clara gave me my first experience of breast relief, wanking my shaft with her firm, more than ample bosom. I readily came, with a prodigious amount of spunk released into the condom and a huge smile on my face.

To summarise: Clara is a lovely, obliging escort, with beautiful firm, large, natural breasts that she knows how to use to great effect and a friendly, unforced manner.
