The Premises:

The venue was a neat and tidy apartment in the Milton Keynes shopping area with acres of parking outside.

The Lady:

Gia's stylish, tastefully posed photos on the AE website are recent and accurate. She is 26yo, British American, with dark hair and eyes and a Latin complexion. She is 5' 2", 32B natural breasts, long black hair with a fringe down to her eyes, a very slim, firm body and a lovely firm, round bum, completely shaved, no tattoos. Gia is softly spoken and her appearance, manner and general elegance reminded me rather of Audrey Hepburn.

The Story:

This was a two-hour FFM session with Gia and Carla. They contrasted pleasingly in appearance, their personalities complemented each other well and they readily kissed and touched each other as intimately as they did me.

We used a doctor and nurse role play. To begin, my nurses undressed me down to my pants, remaining clothed themselves, and gave me a relaxing four hands back rub.

In the remainder of my review, I will concentrate on Gia's role in the session. Space precludes a full report of a two-hour session, so here are the highlights.

My first view of Gia was when she opened the door to the apartment, standing behind so that only her face was visible. When she closed the door and led me to the room, I could see why she did want to be seen from outside the door. Gia was wearing a close fitting but tasteful white T-shirt, with a red cross at top left to reflect the nurse theme, no skirt or bra and black holdup stockings. Her bare bum and stocking-clad legs as she walked in front of me were a highly erotic introduction to her charms.

After the back rub, while Carla felt my nether regions Gia kissed me and nibbled my ears, while skilfully playing with my nipples, pulling and squeezing them gently and chatting to me about this

and that, while stroking her own 32B breasts, where her pronounced nipples stood proud through the thin material of her T-shirt. She then pulled up her top to show me her bare breasts. I like slim women with firm, pert small breasts. The french call such breasts 'ouefs sur la plat' which translates as 'fried eggs'. I extensively stroked, fondled and kissed them and suckled on each nipple.

Gia lists fetish as a service, so I put her over my knee whereupon I discovered that she was in fact wearing underwear, very minimal white string knickers that only just covered the essentials at the front, and where the string at the back was hidden by her bum cheeks and so not visible when she walked. I gave Gia a hand spanking, just gently in play like many people get up to in the bedroom, first in her knickers, then bare, not that it made any practical difference. Her bum fitted beautifully into my hand. Naturally I stroked this lovely derriere, before slipping my hand between her legs to finger her warm, moist genitals.

Gia then spanked me, lying flat on the bed, making me confess my various misdemeanours.

We finished in a way that showcased their contrasting attributes. Clara gave me breast relief with her 36DD breasts while Gia teased me with her firm, pert 32B breasts and rock-hard nipples, before sitting on my face and holding herself open for me to lick her, while she moaned and groaned convincingly.

The action over, Gia cleaned me up very gently and sensitively. We chatted some more before, all too soon, my time was up.

To summarise: Gia is an interesting conversationalist, which is not to be underestimated. She is also highly attractive and performs a wide range of services with skill and aplomb, to a degree that is incredible value for money. I thoroughly recommend Gia.
