The Premises:

Less than 5 minutes walk from Baker Street, fairly basic shower facilities, although functional. Room not particularly impressive but I am here to fuck so it did the job, comfortable bed, clean towel etc.

The Lady:

As of the time of writing this review, the lady is described as 5'4/162cm size 8, but she is far smaller than that, 5'1/156cm size 4 instead with a body weight of less than 50kg I could probably make 15 bench press reps with her if I turned her into a barbell - the epitome of petite. I have actually labelled few 5'4 escorts in the past as petite with a lot more Liberty, so this of course is an injustice to those really petite considering the average height for Caucasian women is 5'4 anyways. A Romanian that is actually happy to kiss, in fact she said she liked kissing me, never heard that one before.

The Story:

If you have perverted fantasies of teen looking girls in school uniform then Alexandra is ideal for this sort of thing. Had agency not checked her id upon application I would have been really cautious with this booking as looks so god damn young; at first sight, it might have even felt wrong, but it seems like she really is an 18yo nympho.

No reviews - inspector Linus decides to take a risk. She had no vibrators, which becomes clear why .. she doesn't like to self pleasure when linus can do the job instead .. her words. Requested a school girl uniform and confirmed fk and confirmation efficiently came so we book.

Minimal English, but I was glad to be her Prince and guide her along the way with hand gestures, single words and so on.

The service standard is really good for an 18 yo especially Romanian, so I was fairly impressed with her attitude throughout, very compliant. She has a Pikachu face aka super cute with the lip curls and I kissed her to my hearts content just like the pervert that I am, hugged her and brought her closer to me which i enjoyed very much. Light dominance massively turns me on hence why I went

for a size 4 girl and it's naturally so easy to dominate and with someone her age it adds a very different flavour.

Pussy is fully shaved, looks ripe and fresh. A hard working provider, considering flexibility, and effort, allowed fingering and massaging the beef curtains which I occasionally just stared at as it was fresh and clean. My fingers do need a manicure for future reference as she does allow fingering inside but make sure nothing sharp as she will play along but as they say "if your friend is made of honey, don't lick all of him".

I was performing poorly in terms of my missionary cadence but non the less I did the job, 55 minutes of light domination left both of us drained, she was so relieved when I finally came in the bag at the end.

69 positioned her self to my maximum comfort and was working my middle man very hard sucking and going all the way down to base with the guidance of my hands. Besides English as limitation, the other thing is her habit of Internalising pleasure, so you will get movements, tightening her self around your waist if she is enjoying the penetration but not much of a screamer, I asked her to fake it, but perhaps she was worried about neighbours or sth. 1 hour is all I really need from her so wouldn't have wanted longer.

Doesn't do anal or COF, and CIM is not fun for me, they hardly do it right for my taste so didn't want to try it.

Obviously, If you are a boob man, then you would be disappointed as it's only an A cup, so not much to see in that department. Similarly, if you a big booty bloke then again not your girl, it's a handful. If light domination, kissing, lean and petite girls fill your fantasy then she is great. Of course as a provider she can set her own price, but In my honest opinion, I think £150 is her ideal price - at least for now.
