The Premises:

Nice and easy to find basement apartment in Bayswater. Neat and tidy inside, I've been here before, but in a different room. This room was small, but had nice ensuite facilities. She has a nice colour changing light in the room and it's very romantic and sexy.

The Lady:

Linda is definitely the girl in the pictures, but boy does she look better in person. Those pictures really don't do her any justice at all. This is one of the most beautiful and natural looking Thai escorts I have ever booked in my life. Her body is all natural, slim and very sexy. I think the pictures are either old, or someone doesn't know what they are doing. Beautiful!

The Story:

She was wearing a nice dress as I requested, it was silver, sparkly and short, and really suited her figure. Linda is a really genuine girl, very smiley and respectful. Beautiful eyes, and she understands how sexy they are believe me! She speaks good English and has a nice sense of humour too.

She helped me prepare for a shower, and when I returned it was straight into some great kissing. She is very passionate. I took off her dress and felt her body. She had on some tiny panties which she left on, it was very hot, and I was more concerned with her beautiful boobs. Nice handful and not too big (which is odd for me because I usually like the busty girls.)

She lay me back on the bed and started to stroke and caress me all over, rubbing her body on mine. She kissed me from top to bottom, only just teasing my cock which was lovely. Then her OWO action began and it was really something. Using her lips and her tongue, she gave the whole of my cock serious attention. Gentle and firmer and then faster and wetter. She looked at me pretty much all the time and opened her mouth to show me my cock on her tongue from time to time. One of the best blowjobs I've had from a Thai girl ever. Eventually I had to explode in her mouth and she kept on sucking gently. It was great.

She excused herself for a moment and returned to give me a nice long massage. She incorporates some traditional Thai massage techniques, with some really sensual stroking. She built this up for a

long time and I was totally relaxed, until she started to gently stroke her own body against my back and ass. When I felt her nipples on my skin I was aroused again and she asked me to turn over. The massage continued with her stroking her body against my cock and then into her mouth again. More OWO then on with the condom and she started to ride me.

Linda really gets into it. I think she was quite turned on because she was very wet and looked the part for sure. It wasn't long before I turned her over and we went at it in missionary. She grabbed hold of me as I screwed her and clung to me like a Koala bear on a branch, running her hands through my hair and panting. She came with a large shudder and then relaxed. It wasn't long before I felt her clenching her pussy around my cock and I quickly came after.

I don't usually go two rounds these days, but Linda was an exception. I only booked 90 mins because I wanted a nice long massage, but got a sensational session.
