The Premises:

Standard travel lodge hotel. Easy safe clean but nothing to write home about.

The Lady:

Small but attractive. Friendly and with a big smile and bright eyes. A few tattoos which I like. Natural firm breasts. Not the prettiest but definitely not bad looking. Quite girl next door like I'd say. However her personality is great and she cares that you have a good time. She wants to please.

The Story:

Definitely worth a visit. She does everything she says she will do and without hesitation or evasion. Ok she was a little shy to kiss at first but once she is warmed up she does proper passionate French kissing. She will blow you without and will lick and suck until you ask her to stop, and no qualms about deep throat either. On with the condom and then fuck away merrily with lots of dirty talk and kissing. Whatever position you want she will try to please. Enthusiastic and no rushing at all. She is a genuine honest girl next door. Worth a visit for sure.
