The Story:

Amira offers both submissive and domination services. I am not in the least bit interested in the latter, so submissive services it was. 45 mins is 160 quid plus 10 quid for each stroke of the cane. 12 strokes were ordered! I provided a written role play for Amira to follow. She appeared as a scared schoolgirl. Perfect. After owning up to her errors she was informed that her bottom would be spanked and caned. Great reaction and became even more demure when she was told her panties were coming down. She protested really well but down they came! Over the knee and properly spanked hard and persistently. She took it well. Her bottom is firm and the sound of each spank was amazing. I gave her a good 10 minutes of spanking as she protested underneath me. Then time for a caning. Dress off, more protests, bra too. Bent her over and delivered 9 strokes with her bottom up in the air. The last three delivered with her in diaper position and her pussy properly showing. It was clear her pussy was wet which must have occurred during the spanking and caning because she was not wet at the start, I checked. After this she knelt in front of me and I showed her cock. She was so innocent taking it in her hand and kissing the shaft. Cover on and she sucked very well. Time to lick pussy.

I laid her on the bed and exposed her pussy. A delight. Nicely shaved. Neat and perfect tasting. I got to work. She was sensitive when I licked her vaginal hole and when I rimmed her. Such a delight to slowly lick up from her anus to her vagina then clitoris. I gave this a good 10 minutes, maybe more. She moaned fantastically and appeared to cum once if not twice. Amazing. I was already rubbered up so time for penetration. I went in gently. She is tight. She was so responsive when I pressed home. 10 minutes fucking her in mish was brilliant. I even had her legs up to her shoulders for a really deep penetration. I shot into the bag but it felt like I was shooting straight at her cervix. She cleaned me up and we had a great cuddle. A perfect punt in so many ways. The only downside is there was not DFK. Such a shame. Mind you I may not have lasted as long had she kissed as well. This girl is a diamond and worth every penny.
