The Story:

I finally fucked her!

After seeing her OnlyFans and Instagram accounts I was counting the hours until HoD opened so I could visit her. After a couple of years using the HoD services, I'm after the tall, curvy type like Parisa, Cherry, Elizabeth, Scarlett and Adrienne types. But Elle is so fucking beautiful that I couldn't resist. And it was worth it.

Entered the room and waited a bit for her. She then entered wearing some sexy outfit with high heels. My cock turned rock hard. I told her I wanted anal and she said "Of course" and started squeezing my cock. Money sorted, she goes on her knees and started sucking my cock OWO with a nice technique, but not as good as Sloane or Elizabeth. Condon on, and she rode me and I could tell she was enjoying my cock because she got goosebumps all over her skin.

I wanted to taste her arsehole and she went on doggy while I gave her a nice rimjob that I think she liked, I definitely did. New condom on and now I get to penetrate that tight, beautiful arsehole, and Elle was moaning softly and talking dirty to me. After a couple of minutes, she asked me to lay down and then she sat on my hard cock which went again into her ass, and she rode me until I came as hard as I can remember.

Cleaned up, chatted and said good bye. Elle is a beautiful lady. Is a deviation from my usual type, but in a nice way. She is a sex goddess and will know how to make you happy. I am still praying for Elizabeth to come back, but in the meantime, Elle may become my next big HoD

attraction.
