Tempted by Sky's pictures on Twitter, but concerned at a lack of profile on the MN website, I contacted Sky via Twitter to see if she provided some the kinkier services that are a must for me during a punt. She replied quickly confirming services which encouraged me to make a booking.

Once I arrived, I was directed to the largest room on the top floor. Sky came up to the room after a couple of mins. She closely resembles her pics which have little or no editing (apart from blurring of tattoos etc), is around 5'7 and size 10-12 with medium perky tits and pierced nipples, she also has a couple of facial piercings.

Immediately gave me a hug and nice kiss, I offered the paperwork which she took and put on the side. Had a chat about my bag of toys before getting back to some DFK and groping. She stripped me gradually before dropping to her knees for some OWO. This was really good, nice pace, plenty of attention to my cock and balls.

After a while, I asked to move to the bed, where Sky asked me to bend over so she could get to my ass, she seemed to appreciate the jeweled butt plug that I inserted before leaving home! She

played with my ass, sucked my balls, and got as close to rimming my ass as is possible with a butt plug already inserted. At my request we moved on to the strap on, which she said that really enjoys using but doesn't get the opportunity too often (I have heard this before, then the WG appears not to know what to do), Sky lubed up as I indulged in fresh bottle of quality leather cleaner (Poppers). From this point, Sky proved that she was experienced in using a strap on, fucking me in a variety of positions.

My ass needed a break and my head of spinning from the poppers, so strap on removed, Sky delivered more great OWO and general teasing which helped me to really relax. The punt finished with a prostrate massage bringing me close to the edge, Sky asked where I wanted to finish and offered her mouth. Great BJ to finish with loads of man paste everywhere.

Had a shower and a chit chat about punting in general before I went on my way.

Great punt with an open minded British WG, I will certainly return in the near future.
