### The Premises:

Well known establishmen

### The Lady:

The photos on the website are accurate, as is the description and services on offer.

### The Story:

I have visited Lexi several times and each gets better.

Always greeted with full on kissing. GFE is something that is often quoted, but in this case its a GFE where you have been away for ages and you are welcomed home.

Without going into too much detail this lady is the best I have had and offers the best service ever.

Definitely worth a visit, or several!
