The Premises:

Basement flat at the quiet end of the road. Had a nice shower and was offered a drink by the maid Kitty, who it was lovely to see again after such a long time.

The Lady:

I had first saw April around 6 months ago while I was waiting to see Elle and I thought to myself that I must see her soon. However, Covid delayed things but I was finally able to book an appointment with her now. She had changed her hair since that day and now has blonde at the front of her hair with the rest of it black. It looks great. Her photos on the House of Divine gallery are blurred and what you don't see on there are the most amazing sparkling eyes and a really cute nose. You can see those incredible pert breasts and they were a joy to hold. She has a shaved pussy. Her age description of 21 is about right and if it's a young, petite and cute softly spoken girl you are looking for then April fits the bill perfectly.

The Story:

After my shower, April entered the room at exactly 1:15 and gave me a kiss on the lips. She took off her pink outfit to reveal those breasts and I knew that this was going to be a good one. We got on the bed and she began sucking my nipples. It wasn't long before she was giving me some great OWO. Her deep throat was superb. I then asked her to plant some little kisses on my cock, which she did. Onto 69 and she continued with the deep throat while doing that and towards the end of the 69 she put a condom on my cock. I went on top and we had some nice slow sex. It was lovely looking into her beautiful eyes while having sex with her. She then crouched on me and began bouncing up and down on my cock before asking if I would like to try the doggy position. Of course! That was really nice and I could see both of us in the mirror. Off with the condom and she gave me some more deep throat before I went back on top again and eventually came in her lovely tight pussy. We had some nice chat while I was getting my clothes back on and I looked at my watch and it was exactly 1:59 when I left the room. A truly lovely 45 minutes with a fantastic girl.
