The Story:

It's taken me some time to do this review, as I saw these ladies last year. I'd booked for an hour of threesome fun & that is what I got. Was made welcome on arrival & shown to the bedroom with Katherine taking the lead. Some DFK to start with from both ladies then some three way kissing & hands going everywhere. The ladies taking turns on sucking each others tits & me joining in the fun. Told to get on the bed & Ella starts giving me owo while using a toy on me. Katherine is telling her what to do while putting a blindfold on me. She then ties my hands & sits on my face. I can feel Ella spitting on me while giving me owo, the blindfold is removed for me to see Katherine using a toy on herself, then she demands that I open my mouth while she squirts and makes me swallow all she gives me. Ella then makes me cum in her mouth then under instruction again from Katherine she slowly dribbles my cum into my willing open mouth. After this everything becomes blurry. Watched both ladies using toys & going down on each before other joining back in. Had sex in different positions with both ladies before cumming again & this time being a snowball from Katherine. Would love to see these two again both as a pair & on their own.
