The Lady:

Slim blonde with nice perky tits

The Story:

Well I was still on my quest to experience new girls I took the plunge
Spoke to Tracey - the receptionist and all sorted

Arrived a bit early and was shown into the room and then shortly after Lauren arrived
So she is a lot slimmer than my usual but had a cheeky smile and a glint in her eye
A nice kiss and then she said "Have you seen any of the other girls here ?"
I replied that I had seen Roxy and Amber
"Ah that makes sense " she replied somewhat cryptically
"Does it" I responded
"Yes because Tracey tells me you like sticking your willy up girls arses " she laughed
I couldn't deny that of course so just confirmed that I did
"Well I'm doing anal now" she said "so your quite welcome to fuck me up the arse if you want"

Well that was a good start

Lauren asked if I would like her to keep any items on or just "get all her kit off " (as she quaintly put it) so I opted for her to remove her bra and panties but she kept her stockings on
Lauren has small breasts but very prominent nipples even without being aroused and she mention that her tits were on the small size
She bent over naked with her back to me and said that she thought her arse was ok though I had to agree !!!
At my request she began some very good OWO and then moved so I could play with her clean shaven pussy
After some time I suggested we cover up and Lauren immediately suggested anal to start

Suitably lubed up and in doggy position I was soon nudging at her arse - "Go easy until it's balls

deep" she requested and soon I was in to the hilt

Lauren asked for a moment to get use to it and then proudly suggested that I could start banging away as hard as I wanted - which I did

Fair play to Lauren although relatively inexperienced she took it like a champ and was full of encouragement

I decided to go easy and not overstay my welcome in her arse so after about 10 mins I suggested we swap to her pussy - so a change of of condom and she road me reverse cowgirl before she suggested we move to the sofa

I sat down and she mounted me - a first for me the sofa - and it wasn't long before I filled the bag

A pleasant chat before it was time to go - Lauren said I was the biggest cock she had had up her arse since she has started providing this service - maybe that's true / maybe not but it made me feel good !

On the way out the receptionist asked if I had had a good time -"Yes " I replied "but I've been a naughty boy"

Lauren shouted out "He was very a very naughty boy and he made me into a very naughty girl"

I think the receptionist knew what we had been up to as she smiled and nodded

Happy days

In summary

A friendly slim MILF who gives excellent OWO and now has decided to expand her list of services across the board
