The Lady:

Pretty Brazilian girl, beautiful eyes.

36D boobs I think, probably size 8. Plenty of didos in the room plus a strapon.

The Story:

Jasmin charges £80 but I paid an extra £20 for facial.

I asked Jasmin to wear black stockings and suspenders, which she did, and then I sat on the edge of the bed looking into the mirror and I asked her to get on her knees and give me a blowjob until I was ready to cum on her face.

She was gentle and patient with very soft lips and as I got hard she smiled and commented on the size of my cock. She wasn't in a hurry and used lots of oil, which was lovely when she put my hard cock in between her 36Ds and held them in her palms as she gave me a tit wank whilst looking me in the eye. All the time I could see her in the mirror in the stockings and suspenders - nice.

After about 20 minutes I stood up and pushed her down a little more onto her knees. She looked up to me as I got ready to cum on her face. She has beautiful eyes and it was nice to wank as she looked at me waiting for my load.

Finally, I came on her face and some of my cum went in her eye (sorry love but it was good for me :)).

Nice willing girl, good punt.
