The Premises:

Quiet street in Earls Court. Apartment is very clean and tidy, well decorated with excellent facilities etc.

The Lady:

Posh is exactly like her pictures, but even better in person. There would never be any need to photoshop her pictures because she is simply beautiful. She told me she was 25, but she could easily pass as a teenager to be honest. Her smile is amazing, and genuine.

The Story:

When Posh answered the door she was wearing nice matching set of lingerie, very tasteful. bra, panties and a suspender belt with no stockings. She had heels on too. She was quiet and appeared a little shy, but then I would be too greeting an absolute stranger in my underwear. After a shower she stood in front of the bed, which was very nicely positioned near a couple of mirrors, is I have a marvellous view of her ass. Posh has one of the best asses I've ever experienced. It has a marvellous shape, not saggy, and just the right amount of firm. She stripped naked in front of me after some kissing and soon she was giving me some very good OWO on her knees. I had to stop her and catch my breath or I would have just finished right there in her mouth.

I moved her onto the bed and entered her in doggy whilst I stood up. Nice and slow to begin with as she took more and more. We did this nice and slow for a while until I pushed her onto her tummy and pushed her legs together for an even tighter fit. she felt amazing. We switched to spooning, then missionary. I reached around with both hands in missionary to grab her arse because it felt so amazing. Finished here and this was wonderful.

Posh is a very responsive, incredibly beautiful young woman, with a lovely natural body. I couldn't have asked for anymore. Once was enough because we were at it a while, and I'm not s young as I used to be.
