### The Story:

This was my 4th visit to see Kim. I spent the entire 3rd visit massaging her so this time it was all about me ;-)

Kim is delightful as you would expect her to be if I have seen her more than twice.

I explained to her about my tender testicles caused by 5 days of shooting porn content and not cumming!

She was very gentle with my boys when she got to them after a very relaxing and enjoyable massage with just the right amount of pressure on the rest of my body.

I look forward to seeing her again and again in the months to come or at least until the next lockdown hahaha
