The usual place in Bletchley.

The Lady:

Photos on her profile show her more blonde than brunette but she was a brunette on the day. The rest of her is flawless as shown in the pictures.

The Story:

As her face is blurred out in the pictures I didn't realise I had walked past her on my way up to the top room.

When Eva entered the room I was trying to make sure that my phone wasn't going to interrupt us for anything and so when I finally looked up my jaw hit the floor. Eva is seriously HOTTTT!

She kisses divinely and passionately and I just knew that I was going to be seeing her again and again if she carried on the way the session had started.

I'm not going to go into details of what happened when the kissing stopped because it really didn't for the whole hour.

I had so much fun exploring her whole body and I think she enjoyed certain parts of mine ;-)

I look forward to seeing much more of this little minx in the future as I feel she could rival another of my favourites, Foxy, in the naughtiness stakes.

Eva if you are reading this I just want to say a big thank you. He who shall be obeyed also wants me to say hi and thank you!
