### The Premises:

Well known establishment in the center of Crewe. Now with discrete back access steps through the small car park off Brooklyn Street. Door bell entry into a small waiting reception area with a wide screen TV and a selection of the ladies photographs on the wall. Nice clean and safe.

### The Lady:

Strikingly attractive, very pretty face, in her mid-20s, with short blonde hair and come to bed eyes, standing at a fabulous 5'9 tall, with a slim sexy figure dress size 10 topped with a 34d bust she's got endless long slender legs.

### The Story:

Turned up on speck to see who was available. All the other ladies were busy or had finished for the day, but Ronnie was free.

I paid the money to the receptionist and waited in the room, and watched the porno on the TV. I've never seen one that's Christmas themed or with subtitles, a first for me.

After a short while she entered the room, and gave me a nice rub down of my back while we chatted about our appetites for how much we both love to have sex. I knew there on it was going to be a great session.

A few minutes later and she was giving me a nice BJ and then moved her naked body with her legs spread over my face giving me more lovely BJ. I was extra sensitive and I could only handle a few minutes of it so I offered to concentrate on her lovely vagina and clit while she laid on her back. She tasted so lovely I could have stayed there all night, by her moans I think she would have been happy to aswell.

We changed position into mish, with lots of very DFK, she is very passionate and I loved kissing her. The more the session went on the more beautiful she I realised she is. After a good few minutes of passionate kissing and thrusting, it ws a change of position to doggy, for some deep penetration, with some simultaneous playing with each other.

Back to mish and a very intimate mutual embracing orgasm, with deep kissing, which felt quite

loving.

We got cleaned up, dressed and more talk of how much we think about sex every minute of the day, she's certainly on my wavelength.

Ronnie is the real deal for the girlfriend experience, she's fun, chatty, a brilliant sense of humor and great to be around, I'm, so glad I dropped in.

Highly recommended, not to be missed.
