### The Premises:

Well known establishment in the centre of Crewe. Now with discrete back access steps through the small car park off Brooklyn Street. Door bell entry into a small waiting reception area with a wide screen TV and a selection of the ladies photographs on the wall. Nice clean and safe.

Domination room with a 4 poster bed, red walls with a rack and cage should you wish to try - not for me.

### The Lady:

In her late 30's Libby is one foxy lady you won't forget !

A stunning tall brunette with a dynamite body and a wealth of experience that can only be gained from maturity.

Standing at 5'9" with highlighted dark hair gorgeous green eyes and an incredibly outstanding fit toned and tanned size 10 with killer curves, a busty 34f-24-36, but by far Libby's best feature has to be her amazing long and perfect legs.

She's a lovely woman who's great fun and bubbly.

### The Story:

I phoned ahead and booked Libby after seeing her photo's on their website. I paid the receptionist the usual fee and got undressed.

I waited in the room and she came in to give me a nice back massage and we chatted about our day, and how often I visit Crewe - which is not as often as I wished I could.

She then stated to stroke and tickle my balls, something that gets me going every time without fail. She laid besides me for a nice close cuddle and a chance to kiss those lovely beautiful lips and explore her big rounded breasts. Off with her knickers, to reveal a lovely hairy landing strip, I love to see girls with a bit of hair down there, so this was a real extra treat for me.

On with the condom, and a lovely passionate blow job which I could enjoy while looking in the mirror at her lovely body. A change of position and I went down on her gorgeous pierced clit, that had a

bar through it. I teased and played with this for ages and she loved that until she gripped her legs around my head as she orgasmed in delight.

A bit of doggy, while I played with her breasts and clit, and then finish off in mish for an explosive finish and more kissing.

She seemed to enjoy the whole experience and we had a great time together. I would definitely recommend a session with Libby.
