### The Premises:

Basement flat in a quiet end of the street. Had a shower and was offered a drink by the maid.

### The Lady:

Kat is a blonde Romanian who has been on my list to see for a while. She has a nice handful of boobs and her shaved pussy is lovely and tight. I complimented her on how nice and smooth her skin is. She has a few small tattoos and recently has had a piercing above her lip. I'd only seen the blurred photos of her before today but I was very happy when she walked in the door. She looked gorgeous. Really beautiful dark eyes. And she has a really nice smile.

### The Story:

Kat walked in and gave me a kiss on the lips and the money side of things was sorted. We got on the bed and it wasn't too long before she was giving me some delicious OWO. She then got between my legs and had my cock in her mouth while both her hands were pinching my nipples. She then gave my cock some lovely little kisses and rubbed her lips around the top of my cock. Onto 69 and she tasted really nice. By now my cock was really hard and I was dying to have sex with her. I went on top and we had some nice slow sex while I looked into those dark eyes. She then crouched on me and bounced up and down on my cock before riding me in the more conventional way. We had some brief doggy but I usually cum quicker in the missionary position and went back on top and then sex got a bit faster and I managed to cum in that gorgeously tight pussy. Cleaned up, got dressed and Kat lead me to the door and gave me a kiss on the lips goodbye.

A perfect half an hour with a really lovely girl. I look forward to seeing her again one day. Highly recommended.
